TERMS AND CONDITIONS

ICF Natural Gas Market Services

ICF's Natural Gas Market Services ("ICF documents") were developed by ICF Resources, LLC. ("ICF"). The legal entity ordering the ICF documents (the "Customer") agrees that the use of these ICF documents constitutes Customer's acceptance of the following terms and conditions:

Deliverables. Once Customer's order is successfully processed, Customer will receive the selected services.

Additional Options. Customized, confidential analyses, and reports based on Customer-defined study scenarios can be requested at an additional negotiated price.

Failure to Pay. In the event that payment has not been made in accordance with the terms of the Web-site, in addition to any other remedy that ICF may have under law or equity, ICF may immediately terminate this Agreement and Customer's right to use the ICF documents. Customer agrees to indemnify ICF for all reasonable cost, including actual attorney fees and related costs, necessary to obtain full and proper payment.

Disclaimer. ICF shall endeavor to provide all ICF documents and any associated services consistent with standard practices in a professional manner. **ICF MAKES NO WARRANTIES, HOWEVER, EXPRESS OR IMPLIED (INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE), AS TO THE DOCUMENTS OR OTHER ASSOCIATED SERVICES PROVIDED HEREUNDER.** Specifically but without limitation, ICF makes no warranty or guarantee regarding the accuracy of any forecasts, estimates, or analyses, or that such work products will be accepted by any legal or regulatory body.

Waivers. The Customer hereby waives any claim at any time, whether now or in the future, against ICF, its officers, directors, employees or agents arising out of or in connection with the rendering of deliverables and services by ICF under this Agreement. The Customer also waives any claim against any third party which provided an electronic link or otherwise provided access to ICF's deliverables and services.

Limitation of Liability. In no event shall ICF be liable for any indirect, incidental, special or consequential damages whatsoever (including but not limited to lost profits or interruption of business) arising out of or related to the documents or services provided under this Agreement, even if advised of the possibility of such damages. In no event shall ICF's liability in connection with this Agreement exceed the amounts paid to ICF hereunder.

Proprietary And Trade Secret Information/Usage Restrictions. Customer agrees that the ICF documents constitute and contain valuable trade secret information of ICF. Customer's disclosure of any information contained therein to anyone other than employees of the Customer is prohibited unless authorized in writing by ICF. Customer will take all necessary precautions to prevent the ICF documents from being available to unauthorized persons. Customer will not lend, sell, or otherwise transfer the ICF documents (or parts thereof) to any unauthorized person without ICF's written approval. The Customer's right to use the ICF documents is in the nature of a limited license for the Customer to access and use the information contained therein for Customer's internal business purposes only. ICF retains all intellectual property rights to the ICF documents and the information contained therein, including without limitation all copyright rights and trade secret rights in such information and the methods and processes used to derive and present such information.

Liquidated Damages. Customer acknowledges that unauthorized disclosure or use of the ICF documents would likely cause ICF irreparable harm and significant damages, which damages may be difficult for ICF to quantify or prove. Therefore, the Customer agrees that in addition to all other rights and remedies ICF may have, ICF shall have the right to recover as liquidated damages \$50,000 for each improper disclosure or use in breach of this Agreement. ICF shall also have the right to recover from Customer all of ICF's reasonable attorney's fees caused by Customer's failure to comply with the terms of this Agreement.

Indemnity. Customer shall indemnify and hold ICF harmless against any liability arising from or related to ICF documents that have been changed without ICF's written approval or have been used for a purpose other than as defined hereunder.

Governing Law. This Agreement shall be governed by and construed in accordance with the Laws of the Commonwealth of Virginia, both as to interpretation and damages, without giving effect to Virginia's conflicts of laws principles.

Entire Agreement. This Agreement constitutes the entire agreement between the parties concerning the use of ICF documents and supercedes all prior agreements (written or oral) between the parties. This Agreement may not be assigned or modified without the written approval of ICF.
