

Environmental, Health, and Safety Auditor's Field Guide

Environmental, Health, and Safety Auditor's Field Guide

Key Techniques for Conducting Audits

The purpose of this field guide is to provide guidance for personnel involved in conducting environmental, health, and safety, or product responsibility audits. It is intended as a field reference document by the auditor to help ensure consistently high quality audits.

- Techniques for conducting interviews
- Guidance for selecting sample sizes
- Formats for writing audit findings

About ICF International

ICF International (NASDAQ:ICFI) partners with government and commercial clients to deliver consulting services and technology solutions in the energy, climate change, environment, transportation, social programs, health, defense, and emergency management markets. The firm combines passion for its work with industry expertise and innovative analytics to produce compelling results throughout the entire program life cycle, from analysis and design through implementation and improvement. Since 1969, ICF has been serving government at all levels, major corporations, and multilateral institutions. More than 3,000 employees serve these clients worldwide.
